## Tell us about your My SoundTrack Playlist

Name of your PlayMyST? (Be descriptive! Like "Sherry & Darren's Honeymoon 2013" or "Randy's Rockin' 1968" or "Las Vegas Ladies Trip"):

Name of PlayMyST Patron? (If you don't want to use your real name): \_\_\_\_\_

Do you have a brief Dedication or Tribute the DJ can read before your PlayMyST?:

Most songs run 3-4 minutes, so for a 58-minute playlist you'll need between 15-20 songs (unless you request the 17-minute-long *In-A-Gadda-Da-Vida*). Please fill out the MyST Form below in the order you prefer them to be played, knowing that the last song or two might not make it to the list due to timing. Please fill out as much as you know to make sure we can find the right song, especially if it is an unknown/independent artist, international music or song that has been covered by different artists. If you have a lot of short songs, note them on the back of this form. Any questions, call the station at 541-329-2123.
